NAUTICAL DRIFT

Picture yourself sailing on a private yacht with the wind blowing through your hair and the salt water gently spraying at your face all while you are shaded from the sun with these beautiful light weight summer projects.

For this collection we are looking for 5 patterns that are worthy of taking on a yacht trip, or at least evoking that feeling. We will be looking mostly for garments but would consider a bag or summer hat as well.

We will be sticking with a navy (shades of blue), white, red and burnt orange color pallet for this collection. Items should be sophisticated but approachable to make. Projects should be able to be used during the summer months. All experience levels of techniques are welcome.

Submission Requirements

One-page submission, complete with:

- Detailed pattern information
- Suggested yarn
- A sketch of the design
- Sizes included
- Designer bio/contact information
- If the pattern has a stitch pattern other than solid colored single or double crochet, please include a photograph of a swatch of the stitch pattern on the one-page submission (not just a chart or drawing).

While swatches do not need to be in suggested yarn, we do suggest a solid, neutral color similar to the intended finished project so we can get a better feel for your pattern.

Include all relevant information on one page. Due to high volume, submissions not in this format may not be accepted.

Patterns cannot have been already published elsewhere. Please do not submit completed patterns. Our intended projects and themes are shown on the inspiration boards. Please keep these in mind when putting together your submission.

Yarn Suggestions:

- Comfy (Fingering, Worsted, Color Mist)
- Capra DK
- Gloss (DK, fingering)
- Capretta
- Billow
- Elixir
- Curio
- Lindy Chain
- Palette

Compensation/Support

\$200-500 (depending on design) per pattern. Our preference is to purchase the pattern outright as an exclusive on the new crochet website. WeCrochet will crochet the samples and will provide yarn support for designers to crochet their own version of the pattern. WeCrochet will also photograph all samples and designers will be able to use these photographs for their own promotions. WeCrochet will provide tech edits and the final pattern layout. WeCrochet reserves the right to change pattern names and requested yarn from the designer to fit our collection.
