TANKS & TEES

Rolling down the street on your cruiser bike heading out for your daily errands, enjoying the summer sunshine. This is the image we want to create with this collection of crochet tees and tanks. Projects should be lightweight to keep you cool and have a style that will last for years to come. Garments should be able to be paired with shorts or jeans.

For this collection we are looking for 5 garments that are worthy of being summer staples. We want these to be tops that the maker will go to again and again throughout the summer. Garments should be wearable and not too delicate.

We will have a sunshine color palette for this collection looking to stick with orange, yellow, pinks, and bright colors.

Yarn Suggestions:

- Comfy Fingering
- Gloss Fingering
- Elixir
- Lindy Chain
- Capretta Superwash

Submission Requirements

One-page submission, complete with:

- Detailed pattern information
- Suggested yarn
- A sketch of the design
- Sizes included
- Designer bio/contact information
- If the pattern has a stitch pattern other than solid colored single or double crochet, please include a photograph of a swatch of the stitch pattern on the one-page submission (not just a chart or drawing).

While swatches do not need to be in suggested yarn, we do suggest a solid, neutral color similar to the intended finished project so we can get a better feel for your pattern.

Include all relevant information on one page. Due to high volume, submissions not in this format may not be accepted.

Patterns cannot have been already published elsewhere. Please do not submit completed patterns. Our intended projects and themes are shown on the inspiration boards. Please keep these in mind when putting together your submission.

Compensation/Support

$200-500 (depending on design) per pattern. Our preference is to purchase the pattern outright as an exclusive on the new crochet website. WeCrochet will crochet the samples and will provide yarn support for designers to crochet their own version of the pattern. WeCrochet will also photograph all samples and designers will be able to use these photographs for their own promotions. WeCrochet will provide tech edits and the final pattern layout. WeCrochet reserves the right to change pattern names and requested yarn from the designer to fit our collection.
