### **CROCHET SUMMER BAGS**

Warm days strolling through the shops of your favorite beach town should inspire the bags that are in this collection. Bags can be large to hold all of your shopping treasures or they can be smaller to hold just the essentials as you go from store to store. Consider using texture and a pop of color on a neutral base.

Bags should be sturdy enough to be used for a day of shopping, if there is a motif pattern consider adding a lining to the instructions to add security.

Bag handles should use one that we have in stock if possible. If we don't carry the handle that you like please note this clearly in the submission call so that we can look to accommodate that should we select your pattern.

#### **Yarn Suggestions:**

- Dishie
- Wool of the Andes
- Brava

### **Submission Requirements**

One-page submission, complete with:

- Detailed pattern information
- Suggested yarn
- A sketch of the design
- Sizes included
- Designer bio/contact information
- If the pattern has a stitch pattern other than solid colored single or double crochet, please include a photograph of a swatch of the stitch pattern on the one-page submission (not just a chart or drawing).

While swatches do not need to be in suggested yarn, we do suggest a solid, neutral color similar to the intended finished project so we can get a better feel for your pattern.

Include all relevant information on one page. Due to high volume, submissions not in this format may not be accepted.

Patterns cannot have been already published elsewhere. Please do not submit completed patterns. Our intended projects and themes are shown on the inspiration boards. Please keep these in mind when putting together your submission.

## **Compensation/Support**

\$200-400 (depending on design) per pattern. Our preference is to purchase the pattern outright as an exclusive on the new crochet website. WeCrochet will crochet the samples and will provide yarn support for designers to crochet their own version of the pattern. WeCrochet will also photograph all samples and designers will be able to use these photographs for their own promotions. WeCrochet will provide tech edits and the final pattern layout. WeCrochet reserves the right to change pattern names and requested yarn from the designer to fit our collection.
